BE PART OF SOMETHING THAT MATTERS

We're more than a charity. We are a force that empowers consumers everywhere.

Because of NCCC, consumers are able to know their rights, are able to recognize when their rights are being violated, and are able to make the best use of the many new resources available in today's ever-changing consumer marketplace!

“ Consumers used to have little to no legal rights. Thanks to NCCC, they have many rights and protections! ”

Sandra Bullock, President

NCCC members get a lot of member benefits!
In addition to being able to join any partner credit union, members get thousands of valuable member-only discounts, free auto safety recall alerts, free registration for do not call services, free registration for various junk mail removal services, and more!

Visit NCconsumer.org/membership or the online Member Center for more details about member benefits.

We're Here for YOU!

AWARENESS

You and your family need to be aware of what's going on in the consumer world around you. Whether it's a new trick to an old scam or something completely new, you need to be aware so you can watch out!

EDUCATION

It's not all about scams and fraud. Part of being a good consumer is knowing your rights and understanding the world we live in! We work to make sure every North Carolinian has that knowledge!

PROTECTION

We've got your back! It's not a perfect world and sometimes things slip through the cracks. When they do, we step forward to push consumer protection initiatives and safety recalls to keep you safe and secure!
